TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Srijan A** has successfully completed the internship program from 14th October 2024 to 27th December 2024 at our organization.

During his tenure as an intern, Srijan worked with the Development team on the **Urban Flood Early Warning System (UFEWS)** project as a **Backend Engineer**. He actively contributed to automating workflows and enhancing data processing pipelines using Python and SQL, gaining valuable hands-on experience in data processing, API integration, database management, and workflow automation.

His work performance and professional behaviour during the internship were excellent.

We wish him great success in all his future endeavours.

For Canarys Automations Limited,
